LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.

The basic position

By law, any interested person has the right to inspect the accounting records of smaller authorities. If you are a local government elector or registered to vote in the local councils' elections, then you are able to ask questions about the accounts and object to them.

The right to inspect the accounting records

When your council has finalised its accounts for the previous financial year, they must advertise that they are available for people to inspect. You must then provide the council with reasonable notice of your intentions. Following this, by arrangement you will then have 30 working days to inspect and make copies of the accounting records and supporting documents. You may be required to pay a copying charge.

The right to ask the auditor questions about the accounting records

If you have any questions regarding the accounting records, you should first ask your smaller authority. This must be done during the 30-day period for the exercise of public rights. You may also ask the appointed auditor questions about an item in the accounting records. However, the auditor can only answer 'what' questions, not 'why' questions so is limited with their response. To avoid any confusion, it is advised that you put your questions in writing.

The right to make objections

Should you view something as unlawful or believe there are matters of wider concern in the accounts, you may wish to object. If you are a local government elector, you have the right to ask the external auditor to apply to the courts for a declaration that an item is contrary to the law and should be reported as a matter of public interest. This must be done by telling the appointed auditor which specific item in the accounts you object to and why you believe it to be unlawful or think a public interest report should be made about it. You must provide clear evidence to support your objection, and this should be done in writing and the copied to the council.

You should not use the 'right to object' to make a personal complaint or claim against your smaller authority. Complaints of this nature should be taken to your local Citizens' Advice Bureau, local Law Centre or to your solicitor.

A final word

Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, the auditor must consider the cost that will be involved. They will only continue with the objection if it is in the public interest to do so. If you appeal to the courts against an auditor's decision, you may have to pay for the action yourself.

Annual Governance and Accountability Return 2021/22 Form 2

To be completed only by Local Councils, Internal Drainage Boards and other smaller authorities* where the higher of gross income or gross expenditure was £25,000 or less, that meet the qualifying criteria, and that wish to CERTIFY themselves as EXEMPT from a limited assurance review

Guidance notes on completing Form 2 of the Annual Governance and Accountability Return 2021/22

- Every smaller authority in England where the higher of gross income or gross expenditure was £25,000 or less must, following the end of each financial year, complete Form 2 of the Annual Governance and Accountability Return in accordance with *Proper Practices*, unless the authority:
 - a) does not meet the qualifying criteria for exemption; or
 - b) does not wish to certify itself as exempt
- 2. Smaller authorities where the higher of all gross annual income or gross annual expenditure does not exceed £25,000 and that meet the qualifying criteria as set out in the Certificate of Exemption are able to declare themselves exempt from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review provided the authority completes:
 - a) The **Certificate of Exemption**, page 3 and returns a copy of it to the external auditor **either** by email **or** by post (not both) **no later than 30 June 2022.** Failure to do so will result in reminder letter(s) for which the Authority will be charged £40 +VAT for each letter; and
 - b) The Annual Governance and Accountability Return (Form 2) which is made up of:
 - · Annual Internal Audit Report (page 4) must be completed by the authority's internal auditor.
 - Section 1 Annual Governance Statement (page 5) must be completed and approved by the authority.
 - Section 2 Accounting Statements (page 6) must be completed and approved by the authority.
 NOTE: Authorities certifying themselves as exempt SHOULD NOT send the completed Annual Governance and Accountability Return to the external auditor.
- The authority must approve Section 1 Annual Governance Statement before approving Section 2
 Accounting Statements and both must be approved and published on the authority website/webpage
 before 1 July 2022.

Publication Requirements

Smaller authorities **must** publish various documents on a publicly available website as required by the Accounts and Audit Regulations 2015, the Local Audit (Smaller Authorities) Regulations 2015 and the Transparency Code for Smaller Authorities. These include:

- Certificate of Exemption, page 3
- · Annual Internal Audit Report 2021/22, page 4
- Section 1 Annual Governance Statement 2021/22, page 5
- Section 2 Accounting Statements 2021/22, page 6
- Analysis of variances
- · Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

Limited Assurance Review

Any smaller authority may request a limited assurance review. If so, the authority should not certify itself as exempt or complete the Certificate of Exemption. Instead it should complete Form 3 of the AGAR 2021/22 and return it to the external auditor together with the supporting documentation requested by the external auditor. The cost to the authority for the review will be £200 +VAT.

Provided that the authority certifies itself as exempt, and completes and publishes the documents listed under 'Publication Requirements', there is no requirement for the authority to have a review.

If it decides to certify itself as exempt, the authority must complete and return the Certificate of Exemption on Page 3 to the external auditor to confirm that it has certified itself exempt.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If you are able to confirm that the above statements apply and that the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor either by email or by post (not both).

The Annual Internal Audit Report, Annual Governance Statement, Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on the authority website/webpage* before 1 July 2022.
